

New Zealand

Mid Canterbury Cropping Farm Position

In the sunny South Island of New Zealand is the vibrant district of Mid Canterbury.

1 hour from international airport

1 hour from Christchurch

Lakes, walking tracks and beaches a short drive away

Nearest town Ashburton 20 minutes has major supermarkets and entertainment.

Many RENZ students come to this area.

Our farm

Our farm

330 hectares of cropping.

We grow wheat, barley, radish seed, pak choi seed, spinach seed, peas, bunching onions seed, ryegrass, potatoes and winter feed for cows and lambs.

We harvest our own crops with a Claas Lexion Combine Harvester

Our farm is fully irrigated with 3 large lateral irrigators.

Your position

Live on site in our one bedroom accommodation.

Lunch provided.

Assist farm owner and permanent staff member and other part time staff with harvest and other farm duties.

You will need a drivers licence and some experience with machinery would be an advantage to you.

A car is available for your use
