

Internship in landscaping at a luxury hotel in Ireland

This is a professional placement at a luxury hotel. The student becomes a part of the grounds team, looking after the maintenance of a large estate, working on many different areas. The student learns to work in a professional manner as part of a team.

The host is the head gardener and he is very proactive to get students involved, improve their skills and ensure they leave with such a positive experience, students always want to go back there. The student lives in separate accommodation in the village with other members of the team or hotel staff, so must be 18 years or older.

This placement is available throughout the year for 4 - 8 weeks.
