

Winery internship in Canada available

In the town Niagara on the Lake is a farm with the size of 121 Hectares that is looking for an intern. It is an established winery since 1965, which is looking for a harvest season help. They grow grapes (company owned) as well as process-contracted grapes from growers.

Trainee duties are cellar work - helping to rack juices, inoculate trunks and make wine. The trainee should have an attention to details and be able to work hard. The host provides accommodation and meals have to be made on their own.

Minimum stay is 3 months.
