

THE OHIO STATE UNIVERSITY

Ornamental Horticulture and landscape maintenance internship in a premier historical public garden.

We are seeking applicants interested in establishing and maintaining formal landscape settings in a public garden near **New York City**.

Required qualifications:

- Education in horticulture or closely related sciences
- Experience with ornamental plants: annuals and perennials including trees and shrubs
- Good English language skills
- Professional demeanor
- Excellent ethics and morals
- Willingness to work in an international team

You will have an opportunity to spend 6-9 months on one of the most recognized public gardens in the State of New York. This internship starts in March, April or May.

This garden offers excellent housing on site at no cost, with access to local public transportation with many attractive destinations near-by. There is good compensation provided. This is an excellent opportunity for people studying ornamental horticulture, public gardening or landscape design and maintenance.

Most of your responsibilities will be related to the maintenance of the park, but you will also participate in organizing various special events that take place in the park such as wedding, movie shots, festivals and more.
