Horse Placement

Norita and her husband Seamus live with their three children in County Cork. Their children Padraig, Ciara and Fionn have ponies and horses and compete at a high level in Ireland.

Although you will be looking after the ponies/horses on your own when the children are in school, they will help you in the afternoon. You will also attend any competitions the children go to.

You will need to be a confident rider (although Norita will usually be at home when you are riding) who enjoys spending time with the family.

This is a fantastic opportunity for someone who would like to improve their riding skills.

The family home is on 10 acres of land, they have ponies/horses and some cattle. They have an indoor American style barn with six stables and an outdoor arena.

Their live approximately 5kms from Midleton and approximately 30kms from Cork City. Midleton is a thriving town with lots to see and do, with plenty of shops and places to eat and drink along with a Jameson Whiskey distillery which is well worth a visit. There is a cinema in Midleton and a frequent bus and rail service to Cork.

County Cork is a very popular tourist destination with Cork city being the second largest city in Ireland. Some sights you might like to visit are The English Market, Fota Wildlife Park, Blarney Castle, Spike Island and Cobh.

There is an airport in Cork however if you cannot get a flight to Cork transport can be arranged from either Dublin airport to your host family.
