

Praktikumsangebot Frankreich

Arable farm + pig production. Brittany (West of France)

The farm has 100 ha in crop (wheat, barley, field bean, corn, French bean, peas for the canning industry) and 750 finishing pigs on straw. They do the processing, have a farm shop, and sell their products on farmers market.

Applicant would be involved mainly with crop and a little bit with pigs and also on farmers market. Host is the former MAST trainee and of course able to speak English.

When? From now until November. Trainees need to be experienced!
