Dairy Placement

Sean and Loyola are a lovely family with four children; Sorcha Davina, Donal and Shauna.

The children go to school and enjoy swimming, GAA sports (hurling and Gaelic Football) and horse riding.

They have one dog, Sandy a Golden Retriever.

They farm on 145 acres with 120 pedigree Friesian cows plus replacement heifers and calves. Sean milks the herd in a newly built 18 unit milking parlour using the Dairymaster system which has automatic cluster removal. They have also recently finished building a new calf and cow shed beside the parlour.

Sean has plans for further improvements he would like to make to the farm in the future.

Calving takes place from the end of December to March/April and they use both AI and a bull for breeding.

The family home is a short drive from the town of Clonakilty, where you will find GAA (Gaelic sports) and rugby clubs, the 'Warrior Tae Kwon Do School', a hotel leisure centre with a swimming pool and gym and Macra na Feirme (the young Irish farmers organisation). Clonakilty is a vibrant town with plenty of shops and pubs and good bus connections to Cork city. The world famous 'Clonakilty black pudding' is also here to be tasted!

There are other Equipeople families within a 5km radius of the farm.
